

We have Equipment for Hire!

Did you know that Katanning Landcare has a range of Landcare, Monitoring & Education, and Event equipment items that you can hire to help you get the job done at a fraction of the cost of other providers? **Well it's true!**

Catalogue

Check out the full list of what we have available.

ITEM	DESCRIPTION	RATE
LANDCARE		
Tractor Drawn Ripper-Moulder	This sophisticated piece of site preparation machinery just needs to be hitched to the back of your ute or tractor. Give your revegetation site the once over and it will make planting your seedlings so much easier!	\$150/day *Additional \$200 bond required
Pottiputkis	Sick of the back aches associated with getting seedlings into the ground? Well our Pottiputkis will take the pain out of planting. We have 17 of these bad boys available. You can rent 1 or 2 or all of them at once, depending on your needs.	\$2.50/day each, or \$35/day for all 17
Kidney Buckets	Take the hassle out of carrying seedlings around and keep your hands free with our kidney buckets complete with shoulder strap. We have 10 of these available.	\$10/week each, or \$10/day for all 10 *Free when hired in conjunction with a Pottiputki/s
Hand trowels	Don't have the gear you need for small scale planting or planting with a school group? We have you covered.	\$10/week *Full set only
Large Versatile Buckets	These are useful for all sorts of Landcare activities. We have 4 large (50cm deep x 30cm diameter) buckets available for your use.	\$10/week *Full set only
Chemical Spray Units	We have 5 x 5L hand-held units available for chemical weed treatment. We can also provide advice and info on environmentally appropriate procedures, required permits and training.	\$7.50/day each
EDUCATION & MONITORING		
Spotlight	Want to take your kids or school class spotlighting to monitor and learn about our nocturnal species? We have a high powered spotlight with a red lens option (to prevent damage to the sensitive eyes of nocturnal species). It comes with a long-lasting, heavy duty battery.	\$12.50/day
Magnifying lenses	We have a set of 8 hand-held magnifying lenses at 10x magnification, to help you and the kids get up close and personal with nature. Get a glimpse into the world of our small yet mighty local species.	\$10/week *Full set only
Magnifying Lamp	We also have a plug in magnifying lamp, if you want to get an even closer look. It clamps to the desk, has a daylight fluro bulb and 1.75x magnification.	\$5/day

EDUCATION & MONITORING cont.		
Aperture Sieve	We have a 4.75mm sieve to help you separate soil samples, catalogue the size of macro-invertebrates and much more!	\$5/day *Additional \$25 bond required
Elliot Traps	We have 16 Elliot traps available for all of your small native fauna monitoring needs. We can also provide advice on appropriate technique, ethics approval needed and other requirements.	\$5/day each or \$100/week for all 16
Soil Moisture Meter	Want to investigate the moisture content of your soils? We can help you out.	\$15/day or \$100/week
Universal Precision Dumpy Level	Need precision for your next building or land rehabilitation job? We have you covered. We have a fully automated level, with staff, tripod and carry case.	\$50/day or \$150/week *Additional \$250 bond required
EVENTS		
Projector	Our Sharp XR-32S data projector is available for your next event, to make sure no one in the room misses out on what you want to share. It is fully adjustable, compatible with most systems and comes with carry bag, power cord and HDMI to VGA cable.	\$30/day *Mac users will need to provide their own convertor cable.
Freestanding Projector Screen	This adjustable screen extends to 1720cm x1720cm, so that you can adjust your presentation to suit the room and audience.	\$25/day
Projector & Screen	Save yourself some money and hire both projector and screen together!	\$50/day
Small Whiteboard	We have a small (60cm x 90cm) whiteboard suitable for small workshop sessions.	\$5/day
Large Whiteboard	We also have a large (110cm x 150cm) freestanding whiteboard on wheels, for those of you who like to draw as you present. This will require a large vehicle/trailer to transport.	\$10/day
Display Table	Need something to display your information at an event? We can help you out with our easy to transport, 85 x 85cm folding card table.	\$5/day
Display Boards	Want to display posters, brochures and photos at an event or workshop? Don't bear the expense yourself. We have 8 freestanding display board panels that you can arrange in any configuration that suits your display space. Each panel is 73cm x 104cm and they are pin and/ or Velcro compatible. They even come in a handy carry bag!	\$25/day

Want to Place an Order?

All you need to do is call us at 9821 4327, email us at hello@katanninglandcare.org.au or go to our website at <http://katanninglandcare.org.au>.

Please note that the above rates do not include transport costs.

Pick and return to the Katanning Landcare office at 10 Dore Street, Katanning (co-located with DPIRD) is required.

Please help us look after our gear!

Hire fees will continue to apply for any late returns, at a minimum of \$5 / day.

Fees for loss or damage will range, depending on the cost price of the piece of equipment.

natural resource
management program

The project is delivered by Katanning Landcare through funding from the Government of Western Australia's State NRM Program, through Royalties for Regions.
