By getting on board as a **Katanning Landcare Member you will be a huge support to us, and what's more, you will become part of the Katanning Landcare family!**

We currently have a large support base, with hundreds of people interested in and participating in our projects and activities, subscribing to our e-newsletters, and more. Up until now, we haven't had a formalised way of recognising this support and involvement. But that is all about to change!

We have introduced two tiers of Katanning Landcare membership; Corporate and Individual.

This membership formally and publically recognises those organisations and individuals who are behind us.

*Check out all of the detail here
and help us spread the word!*

Corporate Membership

Want to build and market your business or organisational profile as a sustainable or 'green' operation? A corporate membership with us will make it that much easier to get the message out to your networks and attract new clients.

To be eligible for Corporate Membership, all you need to do is pay an **annual membership fee of \$150.**

This entitles you to exclusive rewards and benefits, including:

- Your annual corporate membership fee is a **tax deduction**
- **We will promote the fact that you are a member:**
 - Your organisation name will be included on the Corporate Membership page of our website, as a hyper-link to your own website
- **Donating is good for business** – increase your market access through 'green profiling' and promoting your sustainability commitment to your clients, by referencing your membership with us
- **We can link you with networks** to do business with that you may not have been exposed to during the course of everyday business, simply by you being part of our family. Your membership being promoted by us via our website and other channels means others that we work with can get in touch with you about your business and vice versa
- You will have **access to additional perks** associated with member specific promotions and initiatives
- **'Giving back' has benefits for the general health and well-being of your staff.** Getting involved in planting days and other volunteer activities can be great team building exercises!
- **We will keep you informed on where your time and money as a member goes, by:**
 - Sending you an annual update to thank you for your support and summarising the key initiatives and projects we worked on as a result of your membership
 - Keeping you up to date on the latest via the Wednesday Wrap-Up e-news

Individual Membership

Want access to all the latest news and information about what we are doing and how it can benefit you? Well signing up as an official member of Katanning Landcare gives you exclusive access to all the hot tips and latest goss! **And it's free!**

All you need to do to be eligible for Individual Membership is fill out our on-line form, or contact our office directly, so that we can take down your details and get you subscribed to our Wednesday Wrap-Up e-newsletter.

What does this mean?

- **We will promote the fact that you are a member** on the Individual Membership page of our website, by including your name in the members list (unless you request us not to do so)
- You will have **access to additional perks** associated with member specific promotions
- You will receive a **hand-written and customised 'thank you' card** from Katanning Landcare upon first becoming a member, featuring one of our locally iconic native species
- **'Giving back'** has benefits for your general health and well-being and a planting day can be a great family day out on the school holidays (a great way to burn off the kids' energy too!)
- We will keep you informed on where your time and money as a member goes, by:
 - Sending you an annual update to thank you for your support and summarising the key initiatives and projects we worked on as a result of your membership support.
 - Keeping you up to date on the latest via the Wednesday Wrap-Up e-news

You aren't obligated to do anything once your membership has been processed, but we do encourage you to take advantages of the benefits of being a member by getting involved in all of our fantastic projects and initiatives.

Already receive the Wednesday Wrap-Up and possibly other e-newsletters from us? Please take the time to fill in the on-line form anyway so that we have confirmation of your consent to become a formal member of Katanning Landcare.

I want to join the Katanning Landcare Membership!

Katanning Landcare
Saving the world since 1990
- starting with Katanning WA

Where does your membership go?

- Investing in Katanning Landcare invests in the local community, environment and farmland.
- We work on a range of projects and initiatives that educate our children, support farmers to be sustainable and innovative, protect our precious native species, and look after the health of our bushland and waterways.
- You can even give us direct feedback and input about a specific project or initiative that you might like to see your membership money and efforts go towards.
